MEMORANDUM FOR: Assistant Director for Communications
SUBJECT : Finance - Income Tax Withholding

25X1C 1. Reference is made to your memorandum of 26 August 1952 describing the inequities involved in requiring an individual to refund to CIA the gross amount of leave despite the fact that such individual received a lesser amount in payment when terminated [redacted].

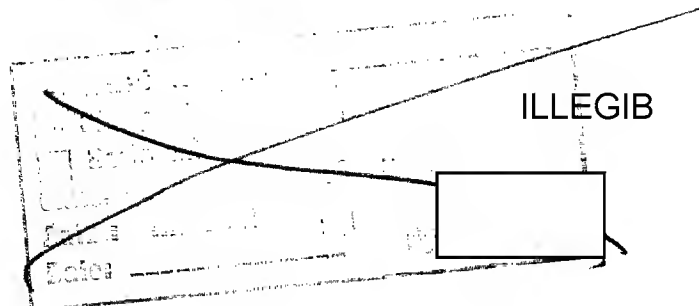

2. The Office of the Comptroller has informed me that the Payroll Section of the Finance Division is currently studying this problem and is in the process of developing procedures to solve the situation presented.

25X1C 3. The problem presented in your memorandum is applicable to all persons picked up by CIA after termination from other agencies and is not confined only to the personnel terminated by [redacted]. It is therefore our objective to find an Agency-wide solution to the problem.
